

## GENERAL INTRODUCTION

This Policy is intended to describe the management of this site owned by AGREX SPA., in relation to the processing of this website's users / visitors personal data.

AGREX SPA., in line with the current Italian data protection law, undertakes to guarantee the privacy and the security of each website navigator's personal data, even when the Internet is accessed from abroad..

The Policy is also given as a short disclosure statement, if a specific detailed one is not provided, pursuant to Article 13 of Legislative Decree 196/03 – Personal Data Protection Code, issued in application of Art. 10 and 11 from European Directive 95/46/CE, to those who interact with the website services, with the purpose of protecting personal data accessible by computer. These disclosure statements aim to define the data processing limits and procedures for each service so that the customer/visitor may freely provide consent and authorise collection of his/her personal data and its subsequent use.

Please note that the disclosure statement will not be provided for any other websites possibly accessed by the user through links.

## DATA CONTROLLER, DATA PROCESSORS AND DATA PROCESSING OFFICERS OF THE DATA PROCESSING

The Data Controller is AGREX SPA., with registered office in Via Balla 55/57, 35010 Villafranca Padovana (PD) Italy. – [info@agrex.com](mailto:info@agrex.com)

The personal data that you have provided may be handled by Data Processing Officers, including external, responsible for managing the requested service and by Data Processor(s).

## TYPE OF DATA PROCESSED AND PURPOSE OF TREATMENT

This website offers informations about AGREX SPA products and services.. During site navigation, information regarding the customer, or more generally regarding the visitor to the site, may be acquired as follows:

Navigation data

During normal operation, the IT systems and software procedures used to run this site collect some personal data, which are implicitly transmitted through the use of Internet communication protocols.

This information is not collected in order to be associated with identified data subjects, but could, due to their own nature, and if processed and integrated with third-party data, allow Users to be identified.

IP addresses, browser type, operating system, domain name and website referring or exit pages, information on pages visited by the User within the site, access time, navigation length on each page, clickstream analysis and other parameters regarding the operating system and the user IT environment, all fall under this category of data.

This technical/IT data are collected and used on an aggregated and anonymous basis exclusively to improve quality of service and obtain statistics on site use.

This technical data/information are collected and used in an aggregated and anonymous way for the sole purpose of:

1. Improving the quality of the service and optimize the functionality of the site;
2. understanding user behavior in order to improve online communication;
3. providing statistical information concerning the use of the site

Geolocation data

Subject to the prior consent of the visitor, the web site will be able to deal with location data - in a non-continuous - to provide the services requested by the visitor.

Data voluntarily supplied by the customer/visitor

These cases involve the customer/visitor entering his/her personal data on the site after reading detailed information in order to send information requests

## **DATA PROCESSING RULES**

The data processing will be performed through automated means (ie. using electronic procedures) and/or manually (ie. on paper) for the time necessary to achieve the purposes for which the data were collected and in compliance with current data protection law.

## **SUBJECTS CAN BE AWARE OF YOUR DATA**

Your personal data may be processed by other persons acting on behalf of AGREX SPA., under specific contractual obligations in EU Member States or in countries outside the EU, and within the limits provided for by articles 43 and 44 letter b) of Legislative Decree no. n. 196/2003.

Your personal information may be disclosed to third parties to fulfill legal obligations, or to comply with orders from public authorities or to exercise a right in court.

## CONNECTION TO THIRD PARTY SITES

It is possible to link to other websites from this site. The user/visitor should note that those sites are not the property or responsibility of AGREX SPA. as they are fully managed by other companies and/or organizations.

It is therefore necessary to verify and accept their data protection policies.

AGREX SPA. consequently declines all responsibility for requests and/or release of personal data to third-party sites.

## RIGHTS OF INTERESTED PARTIES

The data subject has the right at any time to obtain confirmation of the existence of the data and to know its contents and origin, to check its accuracy or request integration, updating or correction (Art. 7 of Legislative Decree 196/03).

Pursuant to this Article the data subject has the right to request the complete and updated list of all the data processors, to request cancellation, anonymization or blocking of data that have been processed unlawfully and may refuse, for legitimate reasons, their processing.

To exercise these rights and in case of any problem or further requests for clarification related to what above mentioned, please write to AGREX SPA. – Via Balla 55/57, 35010 Villafranca Padovana (PD) Italy. – [info@agrex.com](mailto:info@agrex.com)

## POLICY CHANGES

This Privacy Policy governs the methods for processing personal data provided by users/visitors when navigating our website. These methods may need to be modified as a result of new laws entering into force or after examination and updating of User services. As a result, our policy may be modified over time, and we kindly ask customers/visitors to periodically consult this page.

## COOKIE POLICY

### What is a cookie?

A cookie is a small text file sent to your hard disk by a Web server. Their main aim is to make navigation smoother and more "customized".

### **Why do we use cookies?**

- To store your preferences: comfort cookies (for example, when entering information about your login, etc. you will not have to rewrite them)
- To better protect your data
- To improve the browsing experience
- To have a detailed statistic on the visits to the site

### **Function**

#### **Indispensable "technical" cookies**

They are essential for the proper functioning of the site pages. Without these cookies certain functionalities may be compromised and access to content may be restricted. They allow, for example, to keep track of authentication made by a user or by a site administrator. Cookies of this type do not collect any personal information of the user.

#### **Functionality "technical" cookies**

These are cookies record information about choices made by the user to improve navigation (such as language, or pre-fill a form with the name previously used). Such cookies might contain personal information (such as the user name). Without these cookies some features and navigation between pages may be affected.

#### **Performance cookies**

These are cookies used to understand: if users are new or returning, how they use the site, how they move through the pages, how long they stay on the page and on the site, what geographical areas they they come from. Data do not identify user as a person but they are aggregated anonymously by the analysis tools. The deactivation does not compromise the features offered by the site in any way.

#### **Social share cookies**

Some widgets provided by social networks (Facebook, Twitter, YouTube, Google Maps, etc.) can use their third-party cookies. The deactivation does not compromise the use of the site, except those sections in which widget can be installed (eg integration of video or maps) and in some cases the possibility of rapid sharing of content or the opportunity to comment some areas of the site.

#### **Publicity cookies**

**This site does NOT use this type of cookies.** The advertising cookies are installed to show

visitors the site content related to their preferences. So they can be used to show advertising content targeted to the interests of the person. Cookies of this type work in partnership with third-party sites and can keep track of navigation passed on pages on different domains. These cookies usually keep track of user's IP address and other information, some of which may be personal.

### What cookies do we use?

#### Technical Session Cookies

Statistical cookies and integration of Google services cookies.

#### Google Analytics Cookies (Google)

Google Analytics is a web analytics service provided by Google Inc. ("Google"). Google uses Personal Information collected for the purpose of evaluating the use of this application, writing up reports and sharing them with other services developed by Google.

To learn more, visit the information page of Google.

Place of treatment: USA - [Privacy Policy](#) - [Opt Out](#)

#### Youtube Cookies

Some pages of the site include YouTube videos. When you visit a page with a YouTube video, or click to view the video, Cookies from YouTube could be drawn.

To learn more, visit the information page on the YouTube video embedded in Web pages. Processing location: USA -

[Privacy Policy](#)

#### Google maps Cookies

Some pages of the site builds in the maps of Google Maps. When you visit a page containing the maps of Google Maps, or click to enlarge, they may be called cookies from Google.

To learn more, visit the information page on Google maps included in Web pages.

Processing location: USA - [Privacy Policy](#)

#### Social sharing buttons

To make sure that the content of a site can be shared on social networks by the visitors of the

site, you can integrate it in screens tools (widgets) made available by the social networks themselves. These tools (usually blocks of code inserted in the pages of the site host) can collect cookies installed by third-party social networks (eg Facebook, Twitter, YouTube, etc.); the site does not share any information with these widgets.

For more information about the cookies of major social networks you can visit the websites:

### What is the legal framework?

With an amendment to Article 5, paragraph 3 of Directive 2002/58 / EC with the adoption of

Directive 2009/136 / EC, the European legislator has established the principle of consent before archiving of information on material of a user or access to information already stored. Unless these actions are not strictly necessary for the issuance of a service explicitly requested by the Company or the user.
